

Moat Primary School is committed to the provision of a high quality of education for all pupils and high standards to all whom it serves. We believe that the fostering of trust and good relationships with the Parents/Guardians of our pupils is very important. A close partnership between home and school should help ensure that all our children learn and develop to their full potential in a caring, supportive and safe environment. Good communication is essential if we are to achieve this. If you have any concerns about any aspect of your son/daughter's care/education please contact the school and arrange a meeting with the Principal and/or the class teacher.

We would also encourage you attend our Parent/Teacher meetings so that members of staff can keep you informed regarding your child's progress and development.

If you have any concerns about your child's safety you should use the following procedure to make a complaint:

This leaflet can only provide a summary of our child protection policy and a more detailed policy is available on the school website.

This policy will be reviewed annually and issued to parents at least once every 2 years.

Should you have any questions to ask or comments to make in relation to the content of this leaflet or the full policy please do not hesitate to contact the Designated Teacher for Child Protection

Moat Primary School Lisnaskea

Caring Learning Achieving

Aims

Moat Primary School aims to establish a caring environment within which the academic, personal, social and spiritual potential of each child will be developed. The pastoral dimension permeates all school activities.

We have a primary responsibility for the care, welfare and safety of the pupils in our charge and we will carry out this duty through our pastoral care policy which aims to provide a caring, supportive and safe environment.

Principles

Our Child Protection Policy is based on the following Principles:

- The child's welfare must always be paramount.
- Children must always have a right to be heard, to be listened to and to be taken seriously.
- Parents/carers have a right to respect but a proper balance must be struck between ensuring this and protecting children.
- Every child has the fundamental right to be safe from harm and have proper care given to their physical, emotional and spiritual well being.

School Safeguarding Team

Members of the Schools Safeguarding team are:

Chair of the Board of Governors:

Mr Robert Richmond

Designated Governors for Child Protection:

Mr Robert Richmond and Mrs Betty Storey

School Principal and deputy designated teacher for Child Protection: Mrs Felicity Humphreys

Designated Teacher for Child Protection:

Mrs Jacqueline Patterson

Members of the team have clear roles and responsibilities in relation to the safeguarding of pupils within the school and these are detailed in our full child protection policy.

Procedures

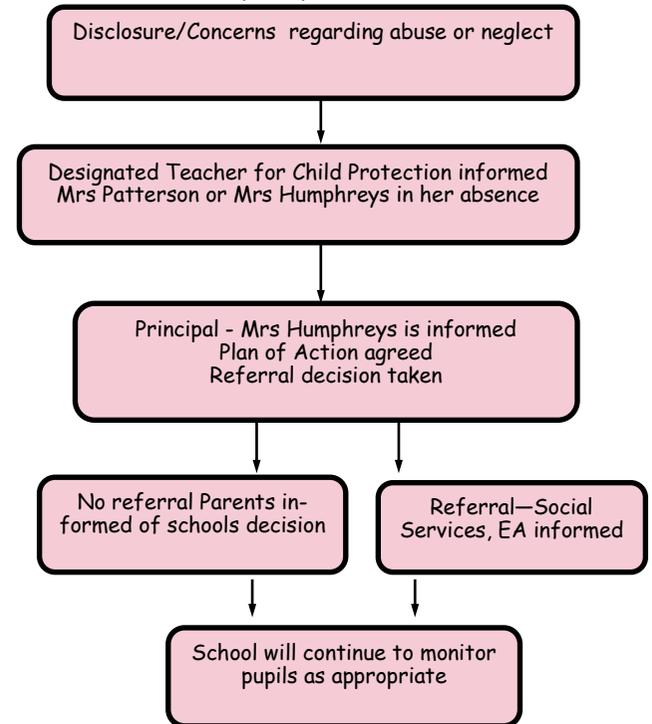

In order to protect our pupils we at the Moat Primary School adhere to the following procedures:

- All staff (teachers, non-teaching staff and volunteers) have clear guidance on the action which is required where abuse or neglect suspected.
- All staff undergo a vetting procedure in order to maintain the highest standard of professional care towards our children.
- All staff attend annual Child Protection training organised by Mrs Patterson.
- Children are supervised at all times while in the school grounds.
- When it is necessary to change the child's normal travel arrangements permission will only be given on receipt of a written request or telephone call by a parent/guardian.
- All visitors to the school must report to the school office.
- Bullying is a highly distressing and damaging form of abuse and will be responded to sensitively in our school. All staff will be vigilant at all times and will aim to prevent bullying by raising an awareness with pupils, staff and parents about bullying, its forms and consequences.

All staff at the Moat Primary School will ensure that all children are aware of who they can talk to if they are sad, worried, being bullied or have any other concerns.

The Designated Teacher for Child Protection is Mrs Patterson. Mrs Humphreys will assume responsibility in her absence.

The Department of Education of Northern Ireland requires all those working in education to co-operate fully with social services and other agencies to protect children. It is therefore our duty to refer if there is a concern about any form of abuse. The following diagram shows the procedures we are required to follow as described in The Department of Education of Northern Ireland publication 'Pastoral Care in School – Child Protection (1999)'.

It should be noted that information given to members of staff about possible child abuse cannot be held 'in confidence'. In the interests of the child, staff may need to share this information with other professionals. However, only those who need to know will be told.

The school will update the school's Child Protection Policy and procedures in the light of any further guidance and legislation as necessary, and review it annually.
